The Women's Initiative for Leadership Development (WILD) Conference is a conference for the Michigan State University community to celebrate and learn about feminist leadership. WILD 2022's theme is Amplify: Community, Culture, and Collaboration.

WILD 2022 KEYNOTE SPEAKER

DOLORES HUERTA

civil rights activist and community organizer

Dolores Huerta has worked for labor rights and social justice for over 50 years. In 1962, she and Cesar Chavez founded the United Farm Workers union. She served as Vice President and played a critical role in many of the union's accomplishments for four decades. In 2002, she received the Puffin/Nation \$100,000 prize for Creative Citizenship which she used to establish the Dolores Huerta Foundation (DHF). DHF is connecting groundbreaking community-based organizing to state and national movements to register and educate voters; advocate for education reform; bring about infrastructure improvements in low-income communities; advocate for greater equality for the LGBT community; and create strong leadership development. She has received numerous awards: among them The Eleanor Roosevelt Human Rights Award from President Clinton in 1998. In 2012 President Obama bestowed Dolores with The Presidential Medal of Freedom, the highest civilian honor in the United States.

We are honored to welcome Dolores Huerta to Michigan State University on November 6th. Please register for WILD to join us.

THANK YOU TO OUR WILD 2022 SPONSORS!
